

The Community Table

2016 Survey Results

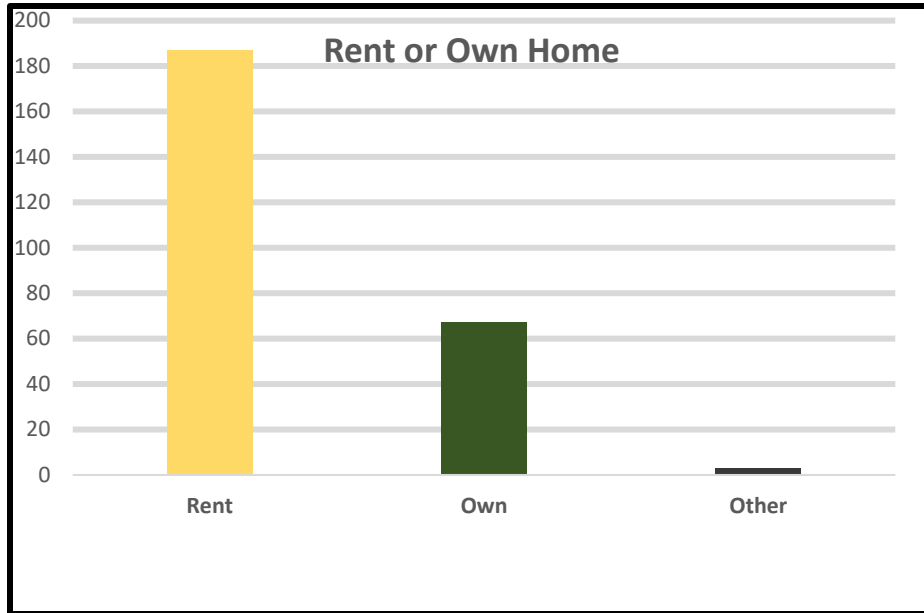

The 2016 Survey data was collected during the months of September and October 2016. There were 272 respondents compared to 168 respondents in 2015. When one considers that The Community Table serves more than 4,500 clients per year, the indication is that TCT has a direct effect on more than 10% of Jackson County residents.

How has The Table helped you? What personal difficulties do you face?

The table has helped my family when sometimes we would not have food.

It helps to put food on my table.

Help with food after wife had stroke.

I volunteer here and it has helped me learn that giving back is so important in life. I have a mental disability and it's hard to keep a full-time job. I use the CT as an additional resource for good nutrition, as it is difficult to afford on my own. Thanks!

Help and very good people.

Has helped me a lot as prices go so high and with other bills doctors etc glad to be able to get plus some of the produce is really great.

They fed me and gave me a cool place with drinks. There are a great bunch of people working here that do a great deal of good things with what they have to work with. I'm having a hard time saving my money so I can get a place. The deposits are too many and too high.

No complaints.

Very polite. Very nice. No complaints so far. Thank you.

Everyone is very nice and helpful and we are fortunate to have the community table.

I am thankful for all that you do for me.

With food. No complaints. Nothing - - life is good.

It's hard because my son and I like different foods. We end up running out of things before the end of month. Food at the grocery store is so expensive. You don't get as much.

They help feed my family!

None. They've been good to me.

To have food to eat and somewhere to come to eat.

Helps with food bill. No difficulties.

I like and appreciate the fact that it has a restaurant layout and does not treat people unkind.

Friendly people. Great food. A true blessing over and over again.

The table has helped me by giving me extra portions to have three meals daily, and also food to take to my sister as well. I sometimes get things in boxes to put in pantry and freezer. Thank all that work here.

My fiancée is going through a disability case and not able to work so it is very tight income.

Good place to come too, and eat, and see friend.

Food is good.

They help me keep food in my household. This is a great place is to come nice people and good service.

Wonderful folks helped us through hard times.

With meals.

Just new to area, trying to get on my feet. Have bunch of good jobs available and resources for help than I have seen in other areas. Have a job coming just waiting on screens to come back. Thank all of you involved and I hope all of you are blessed for your services.

You have helped a lot with food for me. Being unemployed has been the biggest struggle for me, but y'all have been tremendous help in stabilizing my situation.

I've always feel welcomed and staff is friendly plus very helpful. I have chronic knee pain and hard time walking. There is always plenty of choices in the pantry. I'm able to have things that are good and nutritious.

I thank God that you are here to help. So grateful.

Thank God for you.

Portions got smaller.

My only complaints are every time we come here we feel like we being judged. We always get asked ? on everything and looked at funny. (don't like it at all.) And why do you need all this info for someone to get a food box. Just a ?

The table has helped me feed my family when we have nothing, always very friendly, non judgemental.

Ski, Gary, Jeff and the entire team deserve a 10 / 10 in my opinion. Everything runs on a dime, every i dotted, every T crossed, clean, actually immaculate, friendly. Consistently all go above and beyond. Kudos group. Have served at soup kitchens for 10 years, not one has ever even come close!! Very grateful, appreciate, attempt to volunteer 1X week to give back!!

It has fed my entire family.

Help us with food boxes. It would be hard to make it without your help.

No complaints. I'll give the CT a 10.
